

MANNOL Universal Cleaner 9972

Universal cleaner contains premium high-quality ingredients perfect for all interior and exterior vehicle cleaning applications. Universal Cleaner quickly cleans substances such as ingrained insects, grease and tar, nicotine and rust from paint, glass, plastic, rubber, leather, textile, suede and enameled surfaces.

Application: For quick and effective cleaning lightly spray onto area to be cleaned from a distance of 20-30 cm, leave for 5-10 minutes to absorb. Then wipe over target area with clean dry cloth to remove and lift substances. If necessary, repeat. Also can be used like concentrate. Dilute with water. 50-100 ml of product is enough to make 10 liters of effective universal cleaner.
